Important Information-

In order to receive OTC certification you are required to score 80% or higher in the theory test.

In order to receive RTITB certification will be required to score 80% or higher in the theory test and must answer 5 mandatory questions correctly (failure to achieve this will result in an OTC certification being issued, provided the pass mark is 80% or higher). If you require RTITB certification there will be an additional fee of £15.00 per person.

We can also offer in house training with OTC Certification, our trainers can deliver the programme on a date and at a venue to suit you. (*Minimum numbers required*)

Please call for dates and availability for all our Fork Lift courses on 0161 624 5360
